This isn't about cutting corners!

there is no such thing when we are dealing with God.

That is WITCHCRAFT!

Allow the Lord to walk you through the process in his timing.

Less you end up worse than before...

With all of that being said here are some of my recommendations

I would suggest fasting while reading these books Or before. This is just a suggestion

NONE OF THESE ARE LINKED TO COMMISSION. SO IF YOU FIND A BETTER PRICE

ELSEWHERE PLEASE GET IT. Some of these books are available for free on kindle unlimited so checkout that option as well.

If you don't currently Have a prayer life, you don't spend time reading scriptures and fasting I would pause on reading books like these
